“Agriculture is India's backbone. We can progress when our farmers prosper. From soil health cards to providing latest technology, from better market access to irrigation networks, we are strengthening India's agriculture sector”
- Narendra Modi

Prosperous Farmers for a Prosperous Nation

Farm Credit – Increased accessibility of credit for farmers with a record credit target of Rs. 10 lakh crore

e-NAM – Farmers now empowered to sell their produce nationwide, without middlemen & get better prices

Fasal Bima Yojana – Farmers get better & faster protection against various hazards at very low premium

Soil Health Card - Farmers making informed decisions and getting better yields through discovery of soil quality. 10 crore Soil Health Cards distributed

Fertilizer - Farmers get round the year availability of fertilizers, queues are now history

Krishi Sinchai Yojana – Better irrigation facilities delivering better gains for the farmers

Flying for a Progressive Nation

“ India is surging ahead, powered by the Mantra of 'Reform, Perform and Transform'. Strong policy framework backed by proper implementation is qualitatively transforming the lives of 125 crore Indians ”

- Narendra Modi

Reform, Perform, Transform – Mantra for an Aspirational Nation

Banking services securing savings of the poor - 30 crore Jan Dhan accounts

Small traders and consumers benefitting by ending multiplicity of taxes and fragmented tax regimes - GST integrated the nation into one market

More investment, more jobs - FDI reforms in construction, defence, insurance, railways and food processing

Home-buyers' dreams & rights and investments protected by Real Estate Regulation Act (RERA)

Minority stakeholder interests protected and transparency boosted by Insolvency and Bankruptcy Code

Labour Reforms

- Workers now have higher earnings, improved quality of life - 42% increase in wages
- Employees don't have to undergo hassles to transfer EPFO accounts any more - Universal Account Number (UAN) boosts portability
- Companies get a one-stop compliance shop that boosts ease of compliance -Shram Suvidha Portal

Flying for a Progressive Nation

“ We have practised ‘Minimum Government, Maximum Governance’ in letter and spirit. Over the last three years, more than 1200 outdated laws have been repealed. A paradigm shift in the working of the administration is clearly visible ”

- Narendra Modi

Transforming Governance, Transforming Government

Corruption is no more an obstacle for meritorious youth – Interviews scrapped in Group B (non-gazetted), C and D jobs

Nation benefits from faster implementation of projects, optimal use of resources due to advanced Budget timelines

Businesses don't face uncertainty and delays - Environment/forest approvals given in just 180 days against earlier time of 600 days

Lesser paper work, easier compliance, level playing field for small businesses–Mandatory documents reduced from 7 to 3 for exports and 10 to 3 for imports

States are now partners with the Union in India's development journey – Competitive cooperative federalism boosted by dissolving Planning Commission

Beneficiaries get benefits directly in bank accounts, no more middlemen - Direct Benefit Transfer saved Rs. 57,000 crore of nation's money
